PAWS FOR LIFE

# NOTES

June 2010

## Needs Box

>> **Foster homes.** Foster homes are so beneficial for the kittens and puppies because they are susceptible to many diseases they could catch at the shelter. Fosters are wonderful for older dogs because it is much more restful, more comfortable and less stressful.

>> **Groomers.** Professional training is great but we'll take what we can get.

>> **Donations to buy microchips.** The microchip program recently had to be discontinued this year due to lack of funding. Corporate sponsorship would be even better.

>> **Donations to the medical fund** for surgeries, heart worm treatments and other expensive procedures for animals that come into the shelter.

## The Dog Days of Summer

The Dog Days of Summer is upcoming June 19 and is sponsored by Copper Lake Estates as a community project. They are doing a lot of publicity and it sounds like it will be a fun afternoon! Something to add is that Microchipping will available through Paws for Life, \$25 per pet or \$20 multiple pets (this includes the registration fee).

## Party at the Fish City Grill

"A tasty fundraising opportunity awaits Paws for Life. Mark your calendar now for Tuesday, July 6, when Paws for Life hopes to see you, your friends and your family join for a meal at Fish City Grill on the northwest corner of 15th and Bryant. Paws for Life will receive 15 percent of the daily sales of Fish City Grill from 11 a.m. to 10 p.m. on Tuesday, July 6, through the restaurant's First Tuesday program. The restaurant manager requested we have Paws for Life representatives in the restaurant from 11:30 a.m. – 1 p.m. and from 5-8 p.m. And, we will! This will be an excellent opportunity to increase awareness and promote adoptions, as well as raise funds for the animals. A great party is in the making! Please attend."

## Johnnie's Paws for Life Day

Paws for Life has partnered with JOHNNIE'S Charcoal Broiler to make the first Thursday of each month Paws for Life day. Mention PFL and a percentage of the sales from JOHNNIE'S Edmond restaurants will be donated to Paws for Life, Inc. All proceeds will go to helping the City of Edmond Animal Shelter animals.

***Look for the Paws for Life in the LibertyFest Parade, Saturday, July 3. The shelter will provide their van and trailer and we will have volunteers with adoptable shelter pets.***
